| All was perfect                              | Maybe a bit too long with regards to the competencies and skills                    |
| I don't know                                 | I thing can be improved longer activites  |
| Actividades ocio conjuntas, baile, cantar... | I belgiene it is ok.  |
| everything is was ok                         | Me ha parecido todo muy bien y enriquecedor   |
| Involvement between different cultures       | Maybe more training activities and workshops deployed over a longer period of time. |
| Always you can do more and more.             | Really I tthink that everything has been ok   |
| Speaking only English                        | We can eat about two o'clock more or less, but really all very well                 |
| Relaciones entre los grupos                  | Nothing in particular   |

How do you feel after this experience? Anything else to add?

Great experience and people.

I learned a lot from everyone and from the activities that we made. I loved everything so thank you !!!

Satisfecha, contenta por compartir con mujeres otros países.

Hope to meet partners again as soon as possible

after this seminar I feel richer in information regarding the management of emotions and new games that I could use in other situations

Meeting with other cultures

I'm very happy after this experience, because I'm involved now

More Time to be together.

Only to say thank you, i think it is very important to continue with this kind of projects to empower young people and women

Enriched by sharing professional and non-professional experiences with other participants

Más informada y capacidad de ayudar a otras mujeres

Merci pour ces moments de partage, j'ai vécu intensément ces ateliers. C'était très enrichissant. J'ai rencontré de très belles personnes.

Richer (expérience and people), I discovered new things that I may introduce in my own organisation, I met wonderful people

my experience is very good

Great experience, I have learnt new things!

Estoy contenta con mi participación y aprendizaje.  
Una experiencia muy buena y enriquecedora

I feel more knowledgeable about proper ways to address violence and react in conflict-related situations. I feel grateful for having participated in this program.

Grateful. And I wish more programa like this will take place

It has been a great experience on a work and personal level. The most important thing is that the majority of the participants agree on opinions and work in the same direction to eradicate gender violence and promote equality.

It was very enriching and well organized. I gained skills and competences.
